SCHOLARSHIP LOAN FORGIVENESS

.0400. Forgiveness through Service; General Rule. The Authority shall forgive a Loan, and any interest accrued on such Loan under Rule .0502, if, within seven years of graduation from an Approved Institution, exclusive of any authorized deferment for extenuating circumstances, the Student works in a Qualified Position or a Qualified Community College Position of Full-Time Employment for one full academic year for each Loan received, and the Student otherwise complies with the Program Rules. Alternatively, the Authority shall forgive a Loan, and any interest accrued on such Loan under Rule .0502, if, within seven years of graduation from an Approved Institution, exclusive of any authorized deferment for extenuating circumstances, the Student works in a Qualified Position or a Qualified Community College Position of Part-Time Employment in a geographic or nursing specialty area designated by the Authority for two full academic years for each Loan received, and the Student otherwise complies with the Program Rules. The Authority shall apply this Rule .0400 sequentially, forgiving each Loan in the order that it was made to the Student.

.0401. Eligibility for Forgiveness through Service. To be eligible for Loan forgiveness, a Student must graduate from an Approved Institution with a degree in a Qualified Education Program and work in a Qualified Position or a Qualified Community College Position.

.0402. Procedure for Obtaining Service Forgiveness; Specific Employment Requirements.

Within ninety (90) days after graduation from an Approved Institution, the Student shall notify the Authority, in writing and in a form acceptable to the Authority, of the Student’s intent to seek, or to forego, the opportunity for Loan forgiveness.

(b) Required Documentation. Within thirty (30) days of employment in a Qualified Position or a Qualified Community College Position, the Student shall submit written verification of that employment to the Authority in a form acceptable to the Authority. Thereafter, the Student shall provide the Authority with verification of employment in each ensuing year until all Loans are forgiven or the Student commences cash repayment under Rule .0501, whichever occurs first. Notwithstanding the foregoing provisions of this Rule .0402(b), the Authority reserves the right to conduct independent inquiries with regard to whether or not a Student’s employment qualifies for service forgiveness under Part IV of the Program Rules.
(c) *Full Year of Employment Required; Pro Rata Forgiveness Prohibited.* Pro rata forgiveness for any period of employment less than one full academic year is not permitted. “Full academic year,” as used in this Part IV, shall mean one full academic year as determined and verified by the employing entity.

(d) *Concurrent Employment Obligations.* The Authority shall forgive a Loan under Rule .0400 when the Student’s employment in a Qualified Position or a Qualified Community College Position satisfies the requirements under Part IV of the Program Rules for forgiveness through service and such employment also fulfills the Student’s obligation to another education or scholarship program only upon finding that:
   
i. such other program is not funded by the State or any of its agencies or political subdivisions; and
   
ii. the Student’s obligations to the other program will not interfere with the Student’s ability to comply with the Program Rules.

(e) *Designation of Geographic or Nursing Specialty Shortage areas.* The Authority shall annually designate geographic and nursing specialty shortage areas that may be the basis for less than full-time employment options. The geographic and nursing specialty shortage areas in effect at the time the Student first receives a loan or the geographic or nursing specialty shortage areas in effect at the time the Student commences employment in a Qualified Position or a Qualified Community College Position may apply to the Student who is seeking loan forgiveness.

.0403. Authorized Deferment for Extenuating Circumstances after Graduation.

(a) *Procedure.* At any time after graduation from an Approved Institution, but no later than seven years from such graduation, or at any time while enrolled at an Approved Institution, in the case of a Student who is no longer receiving a Loan, the Student may apply to the Authority for an authorized deferment for extenuating circumstances. The application for an authorized deferment shall contain documentation, satisfactory to the Authority, of the reason for the deferment and specify the period of time, by beginning and ending dates, covered by the deferment request.

(b) *Extenuating Circumstances.* The Authority may authorize a deferment if one of the following extenuating circumstances is substantiated by the Student’s request:
   
i. personal illness for a period not to exceed twelve (12) months per each occurrence;
   
ii. family medical leave, which for the purpose of the Program Rules means maternity or paternity leave upon the birth or adoption of a child or leave to provide necessary care for
a member of the Student’s immediate family, who is sick or disabled, in either case for a period not to exceed twelve (12) months per each occurrence;

ii. unemployment during any period of time not to exceed twelve (12) months per each occurrence during which the Student is also conscientiously seeking and unable to obtain employment that qualifies for service forgiveness under Part IV of the Program Rules;

iii. full-time enrollment, immediately succeeding the Student’s enrollment in or graduation from an Approved Institution, at the same Approved Institution or any accredited postsecondary institution located within the United States for a period not to exceed twenty-four (24) months;

iv. a member of the National Guard or a reserve component who is ordered to report for military service as that term is defined in 50 U.S.C.S. Appx § 511(2); and

v. residing in or employed in an area that is a major disaster area as that term is defined in 42 U.S.C. § 5204(2).

(c) Effect of Authorized Deferment. The Authority’s approval of a deferment under this Rule .0403 shall operate to extend the period of time during which the Student must complete the Student’s service under Rule .0400 by the amount of time for which the Authority authorized the deferment under subsection (b) of this Rule.

(d) Interest Accrual. Interest on the Loan shall continue to accrue during any period of authorized deferment.

.0404. Authorized Deferment for Doctoral Students after Completion of Required Coursework.

(a) Procedure. A doctoral Student may apply to the Authority for an authorized deferment for up to twenty-four (24) months for the Student to complete the Student’s dissertation at any time after completion of coursework required by an Approved Institution, but prior to graduation. The application for an authorized deferment shall contain documentation, satisfactory to the Authority, of the Student’s completion of the required coursework and specify the period of time, by beginning and ending dates, covered by the deferment request.

(b) Effect of Authorized Deferment. The Authority’s approval of a deferment under this Rule .0404 shall operate to extend the period of time during which the Student must complete the Student’s service under Rule .0400 by the amount of time for which the Authority authorized the deferment under subsection (a) of this Rule.

(c) Interest Accrual. Interest on the Loan shall continue to accrue during any period of authorized deferment.
.0405. Reinstatement of Forgiveness through Service.

(a) A Student who has been required to commence cash repayment of a Loan after graduation from an Approved Institution may apply for reinstatement of the opportunity for forgiveness through service provided that the Student is:
   i. current with cash payments on the Loan;
   ii. eligible for forgiveness through service under Rule .0401; and
   iii. otherwise in compliance with the Program Rules.

(b) A Student for whom the opportunity for forgiveness is reinstated under this Rule .0404 may have the balance of the Student’s Loan forgiven under Rule .0400 provided that the Student complies with Rule .0402.

(c) If the Authority reinstates the Student’s opportunity for forgiveness in accordance with this Rule .0404, the Authority shall not refund any cash payments remitted prior to the reinstatement.
PART V
CASH REPAYMENT

.0500. Cash Repayment, Generally. When the Authority determines that a Loan, or any portion thereof, cannot be forgiven under Part IV of the Program Rules, the Student shall repay the Loan to the Authority in cash in accordance with this Part V and the terms of the Promissory Note.

.0501. Commencement of Cash Repayment.

(a) After Graduation from an Approved Institution. If the Student graduates from the Approved Institution, the Student shall commence repayment of principal and interest no later than ninety (90) days following the earliest of:

i. the graduation date, unless the Student has provided notice of intent to seek service forgiveness in accordance with Rule .0402(a); or

ii. the date on which the Authority notifies the Student that the Student’s employment does not qualify for forgiveness of service under Part IV of the Program Rules; or

iii. the date on which the Student notifies the Authority that the Student does not intend to seek forgiveness through service; or

iv. the date on which the Authority determines that the Student will not be able to satisfy the requirements of Part IV of the Program Rules with regard to any portion of the Student’s outstanding Loan.

(b) Upon termination of the Loan. If the Loan is terminated prior to the Student’s graduation, the Student shall commence cash repayment no later than ninety (90) days following the date on which the Loan is terminated. For the purpose of this Rule .0501(b), a Loan is terminated upon the occurrence of any of the following events:

i. the Student withdraws from the Qualified Education Program for which the Loan was advanced without requesting an authorized deferment under Rule .0403 within ninety (90) days of such withdrawal; or

ii. the Student declines further funding under the Program without requesting an authorized deferment under Rule .0403; or
iii. a determination by the Approved Institution or the Authority that the Student is no longer eligible for a Loan under Part II of the Program Rules and the Student does not request an authorized deferment under Rule .0403 within ninety (90) days of such determination; or
iv. the Student does not graduate from an Approved Institution with a degree from a Qualified Education Program.

.0502. Accrual of Interest. Each Loan shall bear and accrue interest at the rate set forth in the Promissory Note beginning ninety (90) days after graduation from the Qualified Education Program supported by the Loan or the date on which cash repayment is required under Rule .0501, whichever is earlier.

.0503. Repayment Period and Terms.

(a) Repayment Period; Monthly Installments. When a Loan matures for cash repayment under Part V of the Program Rules, the Student shall be required to repay the Loan in each case according to a schedule of monthly installments established by the Authority that provides for payment of the Loan in full within ten years of the date on which cash repayment is commenced pursuant to Rule .0501.

(b) Extension of the Repayment Period. The Authority may, upon the request of a Student, grant an authorized deferment based on documentation of an extenuating circumstance under Rule .0403(b) and thereby extend the repayment period for a Loan by the period of time covered by the authorized deferment.

(c) Forbearance at the Discretion of the Authority. If the Student documents extenuating financial circumstances for the Authority, the Authority may reduce the Student's monthly payment temporarily and thereby extend the total period of time within which the Student will be required to repay the Loan in full.
PART VI
LOAN CANCELLATION DUE TO DEATH OR DISABILITY

.0600. Death of Student.

(a) While the Student is Enrolled in a Qualified Education Program. If a Student dies while the Student is enrolled in the Qualified Education Program supported by the Loan, the Authority shall cancel the Loan and not pursue a claim against the Student’s estate.

(b) After Graduation from a Qualified Education Program. If a Student dies after graduating from a Qualified Education Program, the Authority shall cancel the Loan and not pursue a claim against the Student’s estate provided that the Student was either eligible for or pursuing forgiveness through service under Part IV of the Program Rules.

(c) After Commencement of Cash Repayment. If the Student is required to repay any Loan in cash under Part V of the Program Rules, the outstanding balance on the Loan may be recovered from the Student’s estate or cancelled in the discretion of the Authority.

.0601. Disability. The Authority is authorized to cancel an outstanding Loan upon a finding that the permanent disability of a Student creates the impossibility that the Student will be able to satisfy the requirements of Part IV of the Program Rules within ten years of graduation from or termination of enrollment in the Program. This finding must be documented by the opinion of a doctor of medicine or osteopathy that is legally licensed to practice in a state on a form prescribed by the Authority.
.0700. Participation Agreement Required. 

(a) In order to administer the Program on behalf of applicants for and Students receiving Loans, an Approved Institution shall enter into an Participation Agreement with the Authority by which the Approved Institution agrees to provide such assurances, certifications, performances, reports, information, and documents as required by the terms of the Participation Agreement, the Program Rules, and upon request of the Authority.
