

*The Education Savings Account (ESA) Program has reviewed the credentials of the following providers solely for the purposes of determining whether the practitioner holds a license that meets the requirements of the ESA Program, including accreditation by a State, regional or national organization that is acceptable to the Authority. These providers are able to register with ClassWallet, the vendor providing electronic account management services for ESA families. The ESA Program review of the provider credentials does not constitute a recommendation or assurance of provider quality, nor any assurance of the provider suitability for any particular student. Parents should vet the providers carefully before using ESA funds to pay for services.*
