BOARD OF GOVERNORS’ DENTAL SCHOLARSHIP LOAN PROGRAM  
(BGDSL)

DEFERMENT

A deferment is a period in which loan forgiveness or cash repayment of a loan is postponed or delayed. Although payments are not due during a deferment period, interest at the rate of ten percent (10%) will continue to accrue on the outstanding principal balance of your BGDSL loan. Each approved period of deferment will extend the BGDSL repayment period by the length of the deferment. A borrower may apply for deferment by completing and returning a Postponement Request Form to the NCSEAA for approval.

What circumstances qualify for deferment under the BGDSL loan program?

See BGDSL Administrative Policy for a list of eligible deferments. You must continue to remit your scheduled monthly payment until you receive deferment approval from the NCSEAA.

How do I apply for a deferment?

You must complete a Postponement Request Form and return it to the NCSEAA for approval. You are responsible for submitting your deferment request, along with the required documentation, before your account becomes past due. If your account is in a cash repayment status, you should continue to remit cash payments until your deferment request is approved by the NCSEAA.

Does interest accrue during an approved deferment period?

Yes. Interest at the rate of ten percent (10%) will continue to accrue during approved periods of deferment.

Where should I mail my completed Postponement Request Form?

NCSEAA - Repayment Services  
P.O. Box 14223  
RTP, NC 27709-4223

(Please include your NCSEAA Personal Identification Number (PID) on all forms and correspondence.)
What if my status changes before my approved deferment expires?

If your status changes prior to the expiration of an approved deferment, you must notify the NCSEAA of the status change.
