

Current HSM Announcements

2009-10 APPLICATION – The application is currently closed.

Completed applications from eligible students were reviewed in order of receipt, as funding allowed. Submitted applications' status can be viewed at the Student Portal: www.cfnc.org/seaastudent. Students may apply for the 2010-11 academic year in January.

** 2009-10 HSM Renewals: If you wished to renew and did not receive an email please contact SEAA immediately to update your contact information. If you wished to decline please inform SEAA and send verification of enrollment immediately.*

2010-11 APPLICATION PERIOD – The application period will open in January 2010 (to be available online at www.cfnc.org/hsm). Applications completed by May 1, 2010 will receive priority consideration. All applications will be processed in order of receipt until April 2011 or until funds have been exhausted. *After submission, students should check their application status at the Student Portal: www.cfnc.org/seaastudent.*

*** 2010-11 Renewals: You will receive an email with instructions to renew your HSM scholarship loan for the 2010-11 academic year. Do not submit a new application.**

HSM Graduates - Congratulations!!!! At the end of the last semester of the year of your expected graduation, inform HSM, in writing, of your choice to cancel your loan with service in North Carolina or to repay your loan monetarily. We must receive this notification within 90 days of your graduation date. For more information visit, http://www.ncseaa.edu/HSM_Repayment.htm or to download associated forms for loan forgiveness/deferment requests or cash repayment visit, http://www.ncseaa.edu/Borrower_Information_Forms.htm

Questions - The staff at the North Carolina State Education Assistance Authority (NCSEAA) is responsible for the administration of multiple funding programs, including Health, Science and Mathematics. Due to the high volume of applications and activity, please **thoroughly review the information provided online before calling with questions** http://www.ncseaa.edu/pdf/HSM_What_To_Expect.pdf.
