Social Security or PID Number _____

To be eligible for Brooks funding, the student must select an internship on the campus of the University he/she is attending or with a public or private non-profit company or agency in North Carolina. Volunteer community service is encouraged. Internships must be related to the student's academic interests. The internship must be for the entire summer, and the student must be employed or volunteering for a minimum of 320 hours during the summer. If approved by the Foundation, the student will receive a stipend of \$5,000 for the summer internship.

Part I. Student must submit this application with a written proposal giving the place and location of employment, contact person and phone number of the organization, and the reason why he or she has chosen to intern in this field or with this organization. Explain what you hope to gain from this internship experience and how it relates to your academic interests and career goals?

Part II. Address where will you be living during the time in which you are completing your internship?

Part III. Name of Intern's Supervisor/Contact Person _____

Supervisor's Title _____

Supervisor's Mailing Address _____

Telephone/E-mail Address _____

Part IV. STUDENT CERTIFICATION

I understand that upon completion of my internship I must provide the Brooks Foundation with (1) a copy of each work time sheet that I submit during the summer and (2) a two to three page statement of what I gained through this internship. I understand that my internship supervisor will be contacted and required to complete an evaluation of my performance. I further understand that the above documentation must be received by the Brooks Foundation no later than ten days prior to the beginning of the fall term following the summer internship. If the internship is not completed or supporting documentation is not provided by the above deadline, I must repay the summer stipend in full or forfeit the fall term Brooks stipend.
