2016-17 Timelines
Week of July 18: Recipient Certification
Week of August 15: Fall Endorsement Forms
Week of August 29: Disbursement begins
A schedule of expected disbursements per program will be established and publicized by the start of school.

Electronic Payments Coming Soon
Disbursements to nonpublic schools will soon be made by electronic deposit. This transition will improve our operational efficiency and decrease the time required for payments to arrive to you. More information to come by email in late July. For the fall 2016 disbursement, we expect to be in transition, with paper checks continuing until processes for electronic transfers are complete. Spring 2017 disbursements will all be electronic.
