New Applicants
Due to the repeal of this program by the 2011 North Carolina General Assembly, the 2011-12 academic year was the last year for which new recipients were selected. Current recipients will be renewed if eligible; however, beginning with the 2012-13 academic year, new applicants must apply for funding through the Forgivable Education Loans for Service Program (FELS). FELS program details are available at CFNC.org/FELS.

Current Recipients
The renewal process for Master’s Nurse Scholars Program funding will begin in May 2012. An announcement will be posted at that time and current recipients will be notified via email when it is time to renew. If you are unfamiliar with the renewal process and would like more information, please review our guide: What to Expect.

Email is the official form of communication between the Masters Nurse Scholars Program and the applicant. It is strongly recommended that recipients keep their contact information up to date on the SEAA Student Portal.

Graduates
If you have graduated, send an official transcript that shows the awarded degree and date of graduation and a Request for Cancellation through Service form to cancel their loan through serving the state of North Carolina as a master’s prepared nurse. Graduating recipients may also contact the Repayment Services department to obtain a Repayment Agreement to repay their loan monetarily. Those who have received the maximum amount of funding but have not finished their studies and are carrying nine (9) or more credit hours per semester may submit a Request for Postponement of Payment and an Enrollment Status Verification Form.
