Short Title, Purpose and Definitions

.0100. Short Title.

The Rules Governing the North Carolina Transforming Principal Preparation Program may hereinafter be cited and referred to as the “Program Rules.”

.0101. The Program and its Purpose.

The North Carolina Transforming Principal Preparation Program (the “Program”) was established by the General Assembly in 2015 as a competitive grant program for institutions of higher education, as well as for-profit or nonprofit organizations, to elevate educators in North Carolina public schools by transforming the preparation of principals across the state. The institutions that are awarded grants under the Program (“Grant Recipient Institutions”) must have an evidence-based plan for preparing school leaders who implement school leadership practices linked to increased student achievement.

In June, 2019, the General Assembly amended the Program to provide for financial assistance, in the form of forgivable loans, to the participants of those school leader preparation programs attending Grant Recipient Institutions. The Program is specifically designed to provide accelerated loan forgiveness for those participants who service their loans by working in a North Carolina public school identified as a “high-need school.” Funding for the Program is contingent each year upon appropriations made available to the State Education Assistance Authority by the General Assembly.

.0102. Scope of Administration.

The Program is administered, as provided by statute, by the North Carolina Principal Fellows and TP3 Commission (the “Commission”) in collaboration with the State Education Assistance Authority (the “Authority”). The University of North Carolina System Office provides the office space and clerical support staff for the Program. The Commission is staffed and chaired by the Director of the North Carolina Principal Fellows and Transforming Principal Preparation Program.

The Commission shall select the Grant Recipient Institutions in accordance with the statutory application and selection criteria set forth in G.S. § 116-74.45 and notify the Authority acting as the fiscal agent for the Principal Fellows and TP3 Trust Fund with respect to grants awarded by the Commission. Upon the Grant Recipient Institution’s selection of the program participants, the Commission shall transfer the names of the program participants to the
