### **Nurse Education Scholarship-Loan Program (NESLP)**

This program was first funded by the 1989 North Carolina General Assembly as part of a series of initiatives designed to reduce the shortage of practicing nurses in North Carolina. NESLP is administered by the North Carolina State Education Assistance Authority.

NESLP awards are available through the financial aid offices of North Carolina colleges and universities that offer nurse education programs which prepare students for licensure in North Carolina as a Licensed Practical Nurse (LPN) or a Registered Nurse (RN). Awards are based upon financial need and other factors such as academic performance.

NESLP awards range from \$2000 to \$5,000, depending upon the student's demonstrated financial need, cost of instruction, other financial assistance, and the amount of funding available through NESLP. The maximum award for students enrolled in Associate Degree Nursing (ADN) and Practical Nurse Education (LPN) programs is \$3,000. The maximum award for students enrolled in a baccalaureate (BSN) program is \$5,000.

Contact the financial aid office at the participating NC college or university (listed below) offering the level of nurse education instruction desired. Recipients must execute a promissory note.

Recipient enters into a contract with the State of North Carolina to work full time as a licensed nurse in North Carolina. Twelve months of service as a full-time nurse cancels one year of NESLP funding support. Loans not repaid through service must be repaid in cash. Interest at the rate of ten percent (10%) per year shall accrue on the principal amount of all scholarship loans disbursed beginning ninety (90) days after the Student graduates from the Participating School or after the scholarship loan is terminated. Student has up to seven years to repay loan in service or ten years to repay loan in cash.

**NOTE:** Beginning with the 2006-07 academic year, students entering into a contract with the state are no longer required to work six continuous months with one employer to qualify for service cancellation. Also, interest does not start to accrue until 90 days after graduation or termination of the loan.
