The Graduate Nurse Scholarship Program for Faculty Production, better known as the Nurse Educators of Tomorrow Program, was established by the General Assembly in 2006 to provide financial assistance in the form of scholarship loans to North Carolina students pursuing masters and doctoral degrees to become nursing instructors at North Carolina public and private colleges. The North Carolina Nurse Scholars Commission is responsible for establishing selection criteria and choosing NET recipients, and the North Carolina State Education Assistance Authority is responsible for the administration of the Nurse Educators of Tomorrow Program.
