

NSP Contact Information

Created by the 1989 General Assembly, this program was designed to address the shortage of trained nurses practicing in North Carolina. The North Carolina Nurse Scholars Commission is responsible for establishing selection criteria and choosing NSP recipients, and the North Carolina State Education Assistance Authority is responsible for the administration of the Nurse Scholars Program.

If you need to submit forms or documents pertaining to the application process, renewal of your loan, or graduation, use the following contact information for the **Grants, Training and Outreach** department of the NCSEAA:
