Quick Explanation: about 2015-16 enrollment eligibility
Enrollment eligibility rules for the Opportunity Scholarship and the Children with Disabilities Grant are similar.

Students applying to these two programs for the first time are typically coming directly from the public school system. Students must have been enrolled in a North Carolina public school for the previous semester. For first-time applicants applying for the 2015-16 school year, this means that the student must be enrolled in the public school the entire spring 2015 semester. Students already enrolled in a nonpublic school do not meet this criterion.

The other types of enrollment eligibility for the Opportunity Scholarship are Renewals (students who received the Opportunity Scholarship in the 2014-15 school year), students entering Kindergarten or 1st grade in 2015-16, foster youth, and students who were recently adopted. Note that for students entering Kindergarten or 1st grade in 2015-16, foster youth, and students who were recently adopted, prior enrollment is irrelevant.

See the Opportunity Scholarship website for more details about enrollment eligibility, as well as the Income Eligibility Guidelines and other program information.

Currently participating schools: If you still have Opportunity Scholarship students for whom you have not received payment, contact Opportunity Scholarship staff immediately.

Deadline for 2014-15 payments is March 31, 2015.
