## New Applicants

Due to the repeal of this program by the 2011 North Carolina General Assembly, the 2011-12 academic year was the last year for which new recipients were selected. Current recipients will be renewed if eligible; however, beginning with the 2012-13 academic year, new applicants must apply for funding through the Forgivable Education Loans for Service Program (FELS). FELS program details are available at [CFNC.org/FELS](http://CFNC.org/FELS).

**Email is the official form of communication between the Prospective Teacher Scholarship Loan Program and the applicant.** It is strongly recommended that applicants recipients keep their contact information up to date on the SEAA Student Portal.

## Current Recipients

**The renewal process for Prospective Teacher Scholarship Loan funding will begin in May 2012.** *An announcement will be posted at that time and current recipients will be notified via email when it is time to renew.* If you have questions regarding this process, please review our guide: [What to Expect](#).

## Graduates

If you graduated in December, send an official transcript that shows the awarded degree and date of graduation and a [Request for Cancellation through Service form](#) to cancel your loan through serving the state of North Carolina as a licensed teacher. Graduating recipients may also contact the Repayment Services department to obtain a Repayment Agreement to repay their loan monetarily. Those who have received the maximum amount of funding but have not finished their studies and are carrying 12 credit hours per semester may submit a [Request for Postponement of Payment](#) and an [Enrollment Status Verification Form](#).

**Questions – Please visit the SEAA Student Portal at [www.cfnc.org/seaastudent](http://www.cfnc.org/seaastudent) to check your application or document status.** If you have additional questions, you may reach us at (800) 700-1775, option 1 or in the Raleigh-Durham area (919) 549-8614.
