New Applicants

The Prospective Teacher Scholarship Loan Program application will be available online at CFNC.org/PTSL in January 2010.

The deadline for PTSL applicants is April 15, 2010.

All supporting documentation to the application (transcripts, reference forms, etc.) must be postmarked by the date listed above. The application data will be submitted electronically through the online application.

Email is the official form of communication between the Prospective Teacher Scholarship Loan Program and the applicant. If access to the internet is not available at home, the local library is an option to access email. It is strongly recommended that applicants and recipients keep their contact information up to date on the SEAA Student Portal.

Current Recipients

Spring semester funding will be disbursed by SEAA to the colleges and universities in January. Please check your Current Year Award on your SEAA Student Portal to review and confirm your award amount and disbursement. If you have further questions or concerns regarding your disbursement, contact your financial aid office for more information.

Reminder: Spring funding is not contingent upon fall grades; please do not send in a transcript at the end of your fall semester. **Current recipients will be able to renew for the 2010-11 academic year in May 2010.**

Graduates

If you have graduated, send an official transcript that shows the awarded degree and date of graduation and a [Request for Cancellation through Service form](#) to cancel your loan through serving the state of North Carolina as a teacher. Graduating recipients may also contact the Repayment Services department to obtain a Repayment Agreement to repay their loan monetarily. Those who have received the maximum amount of funding but have not finished their studies and are carrying 12 credit hours per semester may submit a [Request for Postponement of Payment](#) and an [Enrollment Status Verification Form](#).
