

SCSF CONTACT INFORMATION

This program was created by General Statute in 1971 to assist needy North Carolina residents who choose to attend a North Carolina independent, nonprofit institution. Awards are provided to full-time and part-time students enrolled as undergraduates and have documented unmet financial need as determined by the institution under the institutional methodology or the federal methodology as defined by the State Education Assistance Authority. Licensure students may also be considered.

Recipients are chosen by the financial aid offices of the eligible institutions based on need.
