K12 PROGRAMS: UPDATE FOR NONPUBLIC SCHOOLS

Recipient Certification for 2016-17
Lists of Opportunity Scholarship students are on the Nonpublic School Portal now (if your school has viewed the required webinars). Lists of Disabilities Grant students will be available the week of Aug. 8.

Payment Timelines for 2016-17
Week of August 15: Fall Endorsement Forms
Week of August 29: Disbursement begins, and continues weekly contingent upon receipt of signed Endorsement Forms. A schedule of expected disbursements per program will be established and publicized by the end of August.

Endorsement Forms will not appear for students who are on hold. Students are on hold if families have not completed Income Verification, for example, or if they need to submit documentation of public school attendance because NC DPI was unable to match them to a spring 2016 record.

Required Webinars
Two webinars were required for schools. If you missed the live presentations, click here for recordings and how to notify us once you’ve viewed them. A school official must view the Recipient Certification and the Endorsement Form / Disbursement Roster webinars before accessing payment processing for the school for the 2016-17 school year.

Electronic Payments
Disbursements to nonpublic schools will be made by electronic deposit beginning this fall. For the fall 2016 disbursement, we expect to be in transition, with paper checks continuing for individual schools until processes for electronic transfers are complete. Spring 2017 disbursements will all be electronic. If you haven’t already done so, submit the electronic payment form via the Nonpublic School Portal. Schools registered after March 1, 2016 do not need to re-submit the form.

2016-17 Tuition and Fees Schedule
SEAA is required to collect a tuition and fees schedule once a year from participating schools. Many of you have sent this document already. If you have not, please do so. Upload to the Nonpublic School Portal. You only need to upload this document one time. Early this fall we will notify schools who have not submitted the current year tuition and fees schedule yet.

Legislative Updates
There were several changes to the eligibility rules for both programs. Additional changes were made to the Disabilities Grant Program. Click here for a review of those updates.
