For DGrants, pre-paid and/or post-paid services are not a qualified expense. Services (tutoring, teaching, or therapies) should be paid for at the time they occur. Do not pre-pay for services occurring in an upcoming semester; do not pay for services after they have occurred in another semester.

School payment contracts, school payment agreements, insurance benefit explanations, and generic receipts cannot be accepted as a receipt for DGrants reimbursement or as an invoice for ESA funds transfer approval.
