

DISCHARGE APPLICATION: TOTAL AND PERMANENT DISABILITY

Warning. The SEAA will pursue civil and criminal remedies against any person who knowingly makes a false statement or misrepresentation on this form or any attached documents.

READ THIS FIRST: This is an application for total and permanent disability discharge of your education loan funded or guaranteed by the North Carolina State Education Assistance Authority, (NCSEAA). **This form may not be used to apply for disability discharge of federal loans.**

To qualify for this discharge a physician must certify in Section 4 of this form that you are unable to work and earn money because of a condition that is expected to continue indefinitely or result in death. This means that you must be unable to work in any capacity in any field of work. ***If you are able to work and earn money in any capacity in any field of work at the time your physician signs this form, even if only on a limited basis, you are not eligible for this discharge.*** This disability standard may differ from disability standards used by other federal agencies (for example, the Social Security Administration) or other state agencies. A disability determination by another federal or state agency does not establish your eligibility for this discharge.

Section 4: Physician's Certification

READ THIS FIRST: The applicant identified above is applying for a discharge of a loan obligation funded or guaranteed by the North Carolina State Education Assistance Authority on the basis that he or she has a total and permanent disability, as defined in Section 5 of this form. If the applicant is able to work and earn money in any capacity in any field of work, even if only on a limited basis, you should not complete this form. This disability standard may be different from standards used under other programs in connection with occupational disability, or eligibility for social service or veterans benefits. Section 5: Definitions

- If you have a **total and permanent disability**, this means that you are unable to work and earn money because of an injury or illness that is expected to continue indefinitely or result in death. Note: This disability standard may differ from disability standards used by other agencies (federal or state). A disability determination by another federal or state agency does not establish your eligibility for a discharge of your loan(s) due to a total and permanent disability.
- A **final discharge of a loan** due to a total and permanent disability cancels your obligation (and, if applicable, an endorser's obligation) to repay the remaining balance on your NCSEAA funded or guaranteed loan obligation.
