(3) A scholarship loan shall be terminated upon the recipient's withdrawing from school or a finding by the Authority that the recipient fails to meet the standards set by the Authority. All terminated scholarships shall be regarded as vacant and subject to being awarded to other eligible persons.

(4) The Authority shall forgive a four-year loan if, within seven years after graduation, the recipient teaches for four years at a North Carolina public school or at a school operated by the United States government in North Carolina. The Authority shall also forgive a four-year loan if, within seven years after graduation, the recipient teaches for three consecutive years, or for three years interrupted only by an approved leave of absence, at a North Carolina public school that is in a low-performing school system or a school system on warning status at the time the recipient accepts employment with the local school administrative unit. For loans of less than four years, the Authority shall forgive one year for each year the recipient teaches, within four years of graduation, at a North Carolina public school or a school operated by the United States government in North Carolina.

(5) The Authority may forgive or reduce any loan payment if the Authority considers that extenuating circumstances exist that would make teaching or repayment impossible.
